

LAHORE (PR) ♦ The Bank of Punjab (BOP) has launched Islamic Banking to provide its customers with Shariah compliant services under licence issued by the State Bank of Pakistan. ♦ The start of Islamic Banking at BOP comes in the wake of four years of committed hard work by the management to turn the Bank around. ♦ It has been a tough assignment to rebuild the Bank and win the confidence of clients and institutions alike but the hard work is paying off and the Bank is progressing.

To make Islamic Banking accessible for its customers, the Islamic banking department of BOP has been working at an accelerated pace and has already converted its Garden Town, Lahore Branch to provide Islamic Banking services. ♦. More such branches are going to be opening soon.
