LAHORE - Pakistan Railways freight sector earning had jumped from Rs.4 million per day to Rs14 million since the PML-N government came into power, said Khawaja Saad Rafique while addressing a meeting at Railways Headquarter here on Monday. The meeting analysed the Railways projects under PSDP and decided to continue only those schemes which would be profitable for the department. A statement issued by the Railways said that public money would be spent carefully. The meeting also discussed the amount still unpaid by the Business Train management, added the statement. Meanwhile, the Railways administration has changed the schedule for the departure of Sargodha Express (Lahore-Sargodha) and Babu Passenger Train. The first train would leave Lahore for Sargodha at 3.05pm and Babu Train would depart from Lahore Station at 2.55pm during the holy month of Ramadan. The decision had been made for the facilitation of the public, according to the spokesperson.
