 CHARSADDA: KP Senior Minister Sirajul Haq Wednesday asked the government to formulate a clear-cut policy on drone attacks. Talking to reporters here, he said drone strikes were not only violating the sovereignty of Pakistan but had also traumatised the tribespeople. The government should use force to stop drone attacks in the tribal areas of Pakistan, he added. On the loadshedding in the province, he said the Khyber Pakhtunkhwa producing electricity more than double of its consumption. Courtesy: The News
